

Index

EDITORIAL

- Familial chylomicronemia syndrome: the value of studying rare diseases,*
Lopardo HA 109

CLINICAL BIOCHEMISTRY

- Familial chylomicronaemia syndrome: case reports and the importance of the clinical biochemistry laboratory for diagnosis,* Barchuk M, Fariña G, Sleiman A, Fernandez Machulsky N, Zago V, López G, Schreier L, Nogueira JP, Berg G 111

BROMATOLOGY

- Macronutrients, total dietary fiber and energy of vegan/vegetarian foods: nutritional adequacy for children and comparison with animal analogues,* Castromán J, Rodríguez VG, Batista ML, de la Casa L, Ronayne de Ferrer P, Dyner LM, Greco CB 121

QUALITY CONTROL

- Application of Passing-Bablok regression analysis in the estimation of the systematic error of the measurement procedure in clinical enzymology* Cáceres LE, Bustos MF, Yapur VM 127

HEMOSTASIS AND THROMBOSIS

- Studies on fibrin formation and fibrinolysis in plasma of patients with ischemic stroke,* Medeiros Figueredo RA, Larramendi Embid JM, Gaiero Petruccelli MC, Mattos Gimenez CJ, Zerbino Sánchez CM, López Achigar E, Rossi Assandri AS, Miraballes Martinez I 133

CLINICAL MICROBIOLOGY

- Nocardia farcinica: diagnostic and therapeutic challenges in an elderly patient with bacteremia,* Ratti MS, Soloaga RN, Asenzo C, Carrión NA, Diez A, Eterovich TM, Mamani V, Margari A 143

PARASITOLOGY

- Prevalence and distribution of intestinal parasites in patients treated at "Dr. Teodoro Álvarez" General Hospital,* Destefano VM, Peralta CM, Schijman MC 147

BIOCHEMISTRY IN IMAGES

- Intestinal coccidia,* Astudillo OG, Bava AJ 153

LETTERS TO THE EDITOR

- Five years after the catastrophe: lessons and challenges from the COVID-19 pandemic,* Cortés ME 155

BIBLIOGRAPHICAL COMMENTS

- 157

CONGRESSES

- 75th Argentine Congress of Biochemistry,* June 10-13, 2025, Ciudad Autónoma de Buenos Aires, Argentina 159

- SUPPLEMENTS OF ACTA BIOQUÍMICA CLÍNICA LATINOAMERICANA* 163

GUIDELINES FOR THE PUBLICATION OF SCIENTIFIC PAPERS IN ACTA BIOQUÍMICA CLÍNICA LATINOAMERICANA

- 171
